Citizen's Comments: Kristen Harring was present and asked some questions and commented on how the communication with the Youth Sports Program could be improved.

Business:

Castel Park Path Winter Maintenance: The board made a motion to not worry about clearing the path after snow events. Street cleaning is a much higher priority.

City Hall Park Port-a-Potty: The Board agrees that we do not need to keep paying for the rental during the winter months. It can get picked up in October and brought back in April

New Bases and Inserts: Chad Houge contacted Ed about getting new bases and inserts for the ball diamond as some of the current ones broke from being so old. The Board made a motion to approve the amount of whatever it would cost to get the bases and inserts as well as some plugs for the other distances so that the different ages can all have bases that are easy to set up. Ed was going to have Chad get an estimate of what he was wanting exactly and go from there.

Sponsorships: Ed will meet with Kody about getting the sponsorship letter hammered out.

Update on Youth Sports Program: Basketball just wrapped up, soccer will be starting soon.

Ball Diamond Schedule: Board made comment on how it looks very busy, but good to see it being used as well

Correspondence: none
