Co. Board of Supervisors will approve their bid at their July 25th meeting; construction is estimated to be done for west section by November 22, 2019. Kakacek noted the city did not use all of the budgeted expenses for last year that would be available for this project besides the current budget of $60,000, but would need a budget amendment. After discussion Rowe moved, seconded by Hightshoe, to approve the alley specs and plans and send out for bids filed before 11 a.m. on July 24, 2019 in Swisher City Office. Roll call vote was taken. All ayes. Absent: Neuendorf. Motion carried.

Movie Night: Swisher Friends of the Library President Kim Grier requested to hold a free movie night either at the library lot or Castek Park. She noted the following: it would be easier to have at the park due to parking; they would be giving free popcorn; a Kona Ice Truck would be there but would have to do transient permit; they received generous donation of projector and screen; their goal is to do this the first Friday of each month with rain date on Saturday from May to August and she inquired about insurance. Librarian Hoover noted it is required to have a license for each movie shown as the City got in trouble when they did a movie in the park in the past without a movie license. Council noted the park would be a rental just as any other group with the hours ending at 10:30 p.m. at $20.00 fee per event and park rental form addresses the city is not liable for injuries, etc. so the group may want to get insurance. Council directed Grier to work with the city clerk on dates to reserve at the park, they thanked her group for sponsoring this; and directed Grier to give copy of performance license to city hall prior to showing the movie.

Fringe Area Agreement with Johnson County and Cedar Rapids: Mayor noted the current agreement expires 8-11-19 and does not renew. Kakacek noted this was reviewed in 2014 and the Swisher’s city boundaries on map need to be changed. This was sent to county then, but county had change of staff so map never got updated. Gudenkauf stated the city should have a representative to work on this agreement to make sure the city does not give up any control of Swisher interests. Gudenkauf volunteered to be the representative. Kakacek noted the county was going to contact Cedar Rapids. Stagg would like to have some of the same verbiage and updated city limits on the map as well. Mayor will talk to Gudenkauf about Section 4.8 on Conflict Resolution verbiage to be changed. Kakacek will inform the county of Swisher’s intentions.

Resolution No. 2019-34-Hire Temporary Part-Time Library Clerk: Librarian Hoover noted this is the second position at 10 hours a week discussed at last meeting. Hoover noted Lydia James would take the position that was advertised. After review and discussion, Hightshoe moved, seconded by Rowe to approve Resolution No. 2019-34 entitled “A RESOLUTION AWARDING POSITION AND SETTING THE SALARY FOR TEMPORARY LIBRARY CLERK, PART-TIME POSITION FOR THE CITY OF SWISHER” to Lydia James at $9.00 per hour from now to August 16, 2019. Kakacek presented updated sewer bond payment schedule since the additional principal paid in June. She noted this bond will expire in 2022 instead of 2030 which is saving monies from interest charges. June 2019 Sheriff’s Report; Building Permit for 305 Summit Avenue SE; Mediacom update were on the council table for review.

Adjournment: Motion by Stagg, seconded by Hightshoe to adjourn. Call for vote. All ayes. Motion carried. Meeting adjourned at 8:32 p.m.
