SBA introduced themselves and their businesses and gave presentation of their goal as a group which is to serve, support, and inspire downtown business growth and revitalization, while enhancing the community. Nikki Hynek asked for city support and financial support to
continue to proceed with this group and their goal for the downtown businesses and community. Mayor
noted they would need to become an LLC group and an agreement between the city and the LLC would need
to be done before the city could grant any public money. If they wanted zoning changes for downtown area
they can go to Planning & Zoning for change without being an LLC group. Engineer noted the next step is
to become an LLC and present budget to the City. Mayor and Council thanked SBA Group for their work
and commitment. After discussion, Neuendorf resumed her council position.

small of a project to be cost effective and the other company missed the due date. He presented new

engineer advertises for this project. Cutsforth stated he sends to the same two bidders as in the past but can
also put on the Iowa League of Cities Bidding Site and can be put on City’s website and facebook page.
Kakacek asked if there would be much cost as sending out for bids again. Cutsforth says it should be
minimal as most of the cost was for the first bidding outlet. After discussion, Stagg moved, seconded by
Rowe, to have city engineer send out for quotes for the updated street improvements project. Roll call vote
was taken. All ayes unless otherwise noted. Absent: Gudenkauf.

Department requested $4,000.00 from the City of Swisher and City of Shueyville for purchasing an

**Resolution No. 2018-27-Hire Seasonal Mowing Position:** Norm Neal stated he believes there are certain
areas being mowed in town that shouldn’t be done by the city and the city should consider hiring a mowing
company instead of using city staff. R. Neuendorf recommended to review this option in the winter at budget
time. Hightshoe suggested gathering data on how much time is done for mowing. McNeal will start tracking
mowing hours. Council asked McNeal if he felt veteran candidate would qualify for the job and he okayed it.
Kakacek noted this was not budgeted. Kakacek noted council has to give preference of hiring to a veteran if
qualified for position per Iowa Law. After review of applications and discussion, Rowe moved, seconded by
Stagg to approve Resolution No. 2018-27 entitled “A RESOLUTION AWARDING POSITION AND
