

Swisher Parks and Recreation Meeting Minutes

November 17th, 2021

Called to order at 7:01 by Ed Kringle

Roll Call: Mitch, Brad and Ed were present

Citizens present: Laura Hoover

Agenda and Minutes of last meeting were approved

Business:

- a) Decide where to put the basketball hoops and poles at Castek Park.
Ed said he would get with Al about this.
- b) Field Day in spring
Brad talked with a local company that does this and it was agreed to leave it up to the parents to find new and different sports for their children to try.
- c) Work on Budget
Initially we would like to try and get a few more 12'x12' pop up tents, but were going to come to the December meeting with more ideas hopefully.
- d) Born Learning Trail
The Board still thinks the learning trail around Castek Park would be a great addition. Laura Hoover talked about trying to get a grant to help pay for the signage and posts, we would need to supply the labor to install them
- e) Laura also asked if we could try and schedule City sports events on days that do not interfere with Library programming. We discussed it and we will avoid having anything on Thursday evenings so that she can plan events to happen those nights at 7:00pm as much as possible

Next meeting date: December 15, 2021
