

**CITY OF SWISHER  
PARKS & RECREATION BOARD MINUTES  
WEDNESDAY, FEBRUARY 17, 2021**

Agenda & minutes from meeting on 1-20-21 motion made by Brad and 2nd Maureen Members Present: Ed Kringle, Brad Dahlstrom, Mitch Dellamuth and Maureen Shanahan Citizens present: Tracy Griffin and Callie (Ely Parks & Rec)

**Business:**

Brad received lots of community interest in the t-ball program-with even more in interest in a soccer program. Discussion was held on startup costs-with hopeful sponsors costs would be held to a minimum and perhaps even less the following year - equipment should be good for a couple of years. Discussion was where equipment was stored, time frame to start and other logistics for program start up. Brad has also received emails from several people wanting to possible use our field for practices. Brad agreed to take charge of this program going forward. Callie had lots of good advice and will advise if needed.

Tracy Griffin met with Chalupsky Landscaping rep. She received costs on several different kinds of trees. Would like feedback on what kind of trees the committee would like to see. If we plant the trees ourselves it would be a cost savings. She will continue to research other vendors for costs.

Maureen will investigate with vendors on shelter covers (get costs and lead time) and speak with Swisher Men's Club. Will report back next month.

Maureen made a motion to adjourn and Mitch 2nd. Meeting adjourned at 7:54 pm

Next meeting is set for March 17, 2021 at 7:00pm

Recorded by  
Maureen Shanahan
