

(Subject to Approval)
CITY OF SWISHER
PARK & RECREATION COMMISSION
MAY 1, 2017 MINUTES

Park & Recreation Commission Meeting was called to order at 7:06 p.m. by Park & Recreation Member Rodney McNeal at Swisher City Hall, Swisher, Iowa as was too cold and wet to meet at the park.

Park & Recreation Commission Members Present: Gary Hovey, Ed Kringle, Rodney McNeal, Tracy Schulte. Absent: Dave Chalupsky.

Citizens Present: Public Works Superintendent Craig Vondracek.

Agenda/Minutes: Commission approved agenda and the March 30, 2017 Minutes.

Business:

Park Improvements: Board inquired if there was enough money to put a sidewalk from the concession stand to the ball diamond. They need to get an estimate. They also questioned why there wasn't a handicap port-o-pottie and will try to get one at the park.

Sponsors Signs for Ball Diamond: Board talked about several different sponsors for the ball diamond signs. It is just a matter of contacting them now.

Light Pole at Castek Park: Board will find out if they have any money to fix the light pole. Rodney is contacting someone from Alliant to find out what's wrong and cost of getting it fixed.

Next Meeting Date: They will go to the ball diamond when the next nice day comes up.

Report: Craig noted that on May 13th an Eagle Scout project is replacing the tops and seats of the picnic tables closest to the ball diamond and will stain them as well. Craig has already gotten the supplies they will need.

Meeting adjourned at 7:45 p.m.

Tracy Schulte
Park & Recreation Commission Member
