

Parks and Recreation Board Meeting 6-16-21

Called to order at 7:07 by Ed Kringle

Roll Call: Mitch, Gary and Ed

No Citizens present

Agenda and Minutes approved

Business:

- a. T-ball and soccer program updates: Brad wasn't here to fill in the details, but T-ball has started and Ed thought that there was 84 kids participating. The end of year soccer party at the DanceMore seemed to be a success from what Ed heard from other families.
- b. Address stacking the rocks: Gary and Ed are going to get together some night or weekend and get that done.
- c. Gary informed the Board that we may need to get a contractor in to take care of that since Carl and him are not really sure how they are going to get through the asphalt. Discussion on how we could still do it ourselves. Decided to get at least a quote to see if it would be better than trying to round up all of the tools and equipment needed ourselves.
- d. Brad had let Ed know he wasn't going to be able to make the meeting, but wanted to start asking the question about getting some covers for the dugouts at the ball diamond and some help with potentially getting a flag football league started.
