

CITY OF SWISHER  
PARKS & RECREATION BOARD

August 27, 2019

Meeting was called to order at 7:02PM by Parks & Rec members at Swisher City Hall.

Attendees: Carl Spoerl, Gary Hovey, Ed Kringle, Tracy Guenther and Maureen Shanahan

Absent: Rodney McNeal

There were no citizens present at this meeting.

Tennis Court & Basketball Hoops: There was much discussion on what could be done with the space at the park. The members do think that basketball hoops could possibly be used, but discussion with full court would not be possible. Asphalt will not be removed at this time. Still need more discussion on this project.

A working meeting is scheduled at the park on September 9, 2019 with members of the City Council.

Castek Park trail: Grant was submitted by Ed Kringle and Laura Hoover. Will know more in October.

Batting Cage: CR Reds Little League will install batting cage at their cost. This will be installed down 1<sup>st</sup> baseline. They have also agreed to re-peg the field. They will be practicing on the field (Tues. & Thurs.)

Pipe installation at Culvert on park trail: Carl will talk more with engineer and get some ideas for the install.

Meeting adjourned at 7:45pm

Next meeting is scheduled for 10-29-2019

Respectfully Submitted,

Maureen Shanahan, Parks & Rec Board Member
