

CITY OF SWISHER
PARKS & RECREATION BOARD
June 17, 2020

Meeting was called to order at 7:05PM (Zoom)

Attendees: Ed Kringle, Maureen Shanahan, Tracy Guenther and Brad Dahlstrom

Absent: None

Citizens present: None

Business

1. Committee gave thanks to Laura and Ed for their work at securing the grant for the park trail. Reviewed with Laura the items that will now need to be addressed and submitted now that the grant has been approved.
2. Board members are gathering info on park covering from several different vendors. We will bring the info to the next meeting. It is felt by several members that the Swisher Men's Club will still donate to this project. The amount is unknown and it has not been confirmed that the donation will happen at all.
3. The new basketball and tennis court equipment and Carl will be scheduling a time soon to get installed. The board is willing to help Carl in any way with this project. Carl has also made a few updates to the park restroom and grounds. The tree by the concession stand is down and plants seem to be thriving because of it. Would like to add more plants in the future. The batting cage is up and the organization has done a great job making that happen (exceeded his expectations).
4. Several issues were brought to the board. Inappropriate drawing is on the inside of the small playground slide. Carl said he would either paint or sand. South end of park path needs to be swept. Carl said he would take care of this.
5. A suggestion from a resident: install frisbee golf baskets at Castek Park. It was decided to wait on this until we get additional items completed for grant project.

Next meeting will be July 1st at 7:00pm

Meeting adjourned at approximately 8:10pm
